Information

Discover this unique new 5-room detached house on the outskirts of Pärnu. The size of the property is 719 m², where a single-family house with a total area of 170.2 m² has been built.

The design of the house, the layout of the rooms and the furniture are very well thought out. In the house there is: a corridor with a large wardrobe, 2 toilets, one of which has a large wet room, 4 bedrooms, a spacious bright kitchen-living room and utility rooms. There is also a large sauna with a terrace, where you can enjoy a good time with friends in the summer or admire the sunset in the evenings after the sauna.

The house has a use permit and documents introducing the technical and construction content of the house.

A double garage with underfloor heating and a paved driveway add comfort to the house.

The house is located on the city border in a lovely street with nice neighbors.

See you in your new home!
