Information

A 5-room semi-detached house with a garage has been added to the public real estate market offers!

This is a spacious semi-detached house with a living area of 141.1sqm. Size with the garage is 162.9sqm.

On the first floor of the house, there is a garage, a heated storage room, an entrance hall, a living room with an open kitchen that opens onto a terrace bathed in evening sun, a toilet, and every family's dream - a housekeeping room.

On the second floor of the home, in addition to the staircase hall, there are 4 bedrooms, one of which has a walk-in closet and a balcony, a sauna, a toilet, and 2 bathrooms.

This spacious (with a room height of 2.8 meters on both floors) yet energy-efficient (with an A energy rating) home is equipped with heat recovery ventilation, air-to-water heat pump-based underfloor heating, and a solar park on the roof.

Everyday convenience and security are ensured by knowing that the partitions are made of concrete, most interior walls are made of stone, and the property is enclosed with a fence and hedgerows.

Ihaste is one of the greenest districts in Tartu, where you can enjoy a healthy lifestyle and the beauty of nature.
