The history of Laferme goes back more than 100 years. Now it begins again.

The Laferme house has seen sunsets for a century. Situated on the border of Kadriorg and Kesklinn, it has remained unnoticed. But that's not the story. Laferme will soon rise again. A little bigger and a lot fresher. The newly named Laferme Residences has limited capacity for those who want to live in a new rhythm. For those who want to live a quiet and curious life, watching all the shades of the sea. Just as life itself is a sight to behold.
