The two-room apartment is spacious and bright; the windows in the living room and bedroom face west, meaning both rooms receive plenty of light throughout the day.

The sea and health trails are just a 5-minute walk away! It's a peaceful area with quiet neighbours and an active housing association. The apartment building is in excellent condition – the facade, heating systems, plumbing, and electrical wiring have been updated. The apartment has new central heating radiators, and there is an underfloor heating in the bathroom.

The apartment also includes access to a shared basement with a personal storage room. There is free parking behind the building, and the parking lot is secured with a barrier.
