Information

A home with beautiful landscaping in Ülenurme!

A house with a usage permit and plenty of natural light has been added to the public real estate listings.

This home is located in a quiet residential area, heated by a NIBE air-to-water heat pump, with individually adjustable radiators in each room. The bathrooms have electric underfloor heating.

There is a covered shed in front of the parking space.

Thanks to its location in a well-developed area, everything essential for daily life is nearby, and there's no need to worry about ongoing construction on neighboring properties.

Ülenurme Gymnasium is 350 meters away, bus stops Ülenurme Gymnasium and Tõrvandi Road are 400 meters away, COOP grocery stores are 1.2 kilometers away, and kindergartens Rüblik, Laululind, and Ülenurme are within 1.5 kilometers.

The house has Telia fiber-optic cable installed, offering internet speeds of up to 1 Gbit/s for both download and upload.

Electricity connection: 3x25A.
