Information

A unique, south-facing home right next to the City Center is now for sale! This charming apartment is located in a historic stone building, which was upgraded with all modern conveniences this year.

For immediate move-in readiness, the apartment can be sold with all the furniture and appliances shown in the pictures.

The apartment features underfloor heating and heat recovery ventilation, ensuring a pleasant indoor climate and reasonable maintenance costs. Additionally, the home includes a designated parking spot in a gated lot and a storage room.

The location is ideal—essentially in the City Center, where everything you need is within walking distance. Nearby grocery stores such as COOP, Selver, and Maxima, as well as university buildings (University of Tartu, TalTech), are just minutes away. In front of the apartment, there's a private 8m² south-facing terrace.

The apartment is equipped with Telia fiber-optic cable, offering internet speeds of up to 1 Gbit/s for both upload and download.

Thanks to its private entrance, this apartment is also perfect for short-term rental services.
