Somewhere, where the tall pines stand like silent guardians and the river's flow whispers like an ancient bard, there lies a plot of land.

Not just a piece of earth – but a place where your story can begin.

Kullimänniku tee 20, in the peaceful village of Papsaare, is not simply a location – it's an invitation. The pines growing on the land offer shade, quiet, and a sense of mystery. Each branch seems to whisper: "Build something here that will last."

And here's the best part: a detailed plan and building project are already in place.

This means you can begin right away – no delays, no uncertainty, just a clear path forward. Whether you envision a year-round home or a tranquil summer retreat, the groundwork is ready for your vision to come to life.

This is a sanctuary where time seems to slow down – far enough from the city to feel like an escape, yet close enough to Pärnu to keep everyday convenience within reach.

A place to relax, to rejoice, and to create memories that will last a lifetime.

Come and feel the calming magic and fairytale spirit of this land.

Seeing is believing – maybe this is the place where your next chapter begins.
