Information

A new home close to the academic buildings!

This home is on the 3rd floor of a building completed in 2022 and is being sold with all the furniture and appliances shown in the photos. The window faces the courtyard, so you don't have to worry about street noise or dust.

No pets have ever lived in the apartment.

Past records show winter costs of up to €40.38 per month, plus electricity according to consumption.

There is a bus stop in front of the building, a bike-share station 150 meters away, and the nearest grocery stores (Rimi, COOP, Kaubamaja Food World) 700 meters away. MyFitness and the 24/7 open GYM! fitness centers are the same distance.
